➤ **Plan Implementation & Grants Status**

- **SOURCE WATER PROTECTION GRANT PROGRAM**
 - Final comments received by DEP. Revised pages will be mailed to DEP for insertion into the final plan documents.
 - Copies of the final Volume I and respective Volume II documents will be downloaded to CD and mailed to each water supplier.
 - Electronic files of each document will be posted to Borton-Lawson's FTP site for access, download and printing by PACC members and water suppliers. The username and password needed to access the site, as well as the last date you may access/download documents from the site will be posted to the PACC listserv.
 - Final payment requests and invoices, the CD containing GIS datasets and the final progress report are to be received by DEP no later than 4:00PM July 31.
 - Final plan will be posted to the PACC website and copies will be placed in the Samuel Pierce Library.

- **STORMWATER BASIN RETROFIT PROJECT**
 - Final grant submission package sent to PA DEP for processing.
 - A copy of the brochure has been posted to the PACC website www.pennridgepacc.webs.com
 - Bedminster, East Rockhill, West Rockhill and the Pennridge School District should have received a request for their match funding in the amount of \$1,560.11 or \$390.03 for each participant. This amount is less than the original match requirement of \$2,800.00 or \$700.00 per participant.

➤ **Educational Outreach**

- **WATERSHED PROTECTION AND MANAGEMENT**
 - Will meet internally to discuss potential to conduct future watershed protection workshops/seminars.
 - Will discuss with consultants their ability to participate in future programs.

➤ **Next Steps: (July-September)**

- Finalize source water protection grant work
- Next steps for Regional Leaf & Yard Waste Management Program
- Investigate funding sources for educational outreach efforts
